Dear Prospective Exhibitor,

The Intertribal Timber Council (ITC) and the Quinault Indian Nation are proud to present the 42nd Annual National Indian Timber Symposium, June 4-7, 2018, at the Ocean Shores Convention Center. As part of our annual symposium, we offer a limited number of exhibit spaces on a first-come, first-served basis. We encourage you to take advantage of this opportunity to promote your business or organization to representatives from timbered Indian reservations.

You can participate in the symposium in two ways:

1. Rent an exhibit booth. (Booth fee is \$750.00). Includes up to two exhibitors.
2. Have your company's literature inserted in the registration packets given to each participant. (Literature fee is \$500.00)

All booth fees support our Truman D. Picard Scholarship Program. These scholarships provide assistance to Native American and Native Alaskan students who are majoring in forestry or natural resources. ITC is a 501(c)(3) tax-exempt charitable organization.

The Intertribal Timber Council represents member tribes from throughout the United States. Each year the ITC develops a national symposium to bring together tribes, federal land management agencies, private industry, legislative bodies, and academia to learn about and evaluate current forestry management practices. Approximately 380 participants attend our symposiums from around the United States and Canada.

Included is the information you will need to as an exhibitor, as well as an overview of the ITC. We hope that you will take advantage of this opportunity to promote your organization and meet the symposium participants. Simply register online at our symposium website at <http://www.eventsquid.com/event/3038>.

If you have any questions about this information or the symposium, call our Program Manager, Laura Alvidrez at 503-282-4296. Additional symposium information is also available on the ITC website http://www.itcnet.org/issues_projects/projects_2/symposium.html.

Sincerely,

Phil Rigdon, ITC President
